Wheelchair Accessible Minibuses & MPVs

Welcome to Allied Mobility

Welcome to our premier range of wheelchair accessible minibuses and MPVs.

Working in association with major international motor manufacturers, Allied Mobility offers a unique range of minibuses to suit every purpose. Backed by 40 years motor trade experience, our specialist minibus division – from design and planning to highly skilled coachbuilders – is your guarantee of safety, reliability and value for money.

Mercedes-Benz Sprinter

Volkswagen
Transporter

Our Partners

Our unique minibus range is produced in association with leading vehicle manufacturers including Peugeot, Renault, Volkswagen, Mercedes, Ford, Fiat and Iveco. High-volume output enables us to negotiate great deals with our manufacturing partners – meaning even better value for you.

Research & Development

Based on customer feedback, our product range is regularly reviewed and updated to meet the different needs of all our customers. We also source the finest, high-quality components from leading suppliers across Europe, enabling us to offer state-of-the-art comfort, safety and reliability for you and your passengers.

Quality Engineering

All our vehicles are designed and tested to meet current legislative and safety standards. Operated by skilled technicians our advanced, 20-acre manufacturing plant includes pre-fabrication facilities and main-stage production line, backed by in-house coachbuilding, parts and bodyshop services. A British Standards

Institute and Vehicle Operator Services Agency approved company, every minibus and MPV includes M1 or M2 approved standard seating and seatbelts. Each vehicle is also subject to a rigorous in-house quality check and is externally certified to C.O.I.F (Certificate of Initial Fitness) or ESVA (Enhanced Single Vehicle Approval) levels, as appropriate, before being released for delivery to you, the customer.

The Minibus Specialists

Expert Advice

Our dedicated customer service centre and area sales managers – based throughout Britain – are always on hand to answer any questions before, during and after your purchase. From first enquiry to delivery of your vehicle, you're always in safe hands, with expert advice every step of the way.

Customer Built

Our specialist customer service team will discuss your enquiry in detail, then help you decide which base vehicle best meets your needs; help plan your seating layout; and help specify any special access requirements. With skilled coach-building expertise at our finger-tips, we can adapt almost any make or model of vehicle to suit the needs of your clients (subject to national regulations and safety standards). We'll also produce clear quotations on relevant options to help you make informed purchasing decisions and meet the requirements of your organisation.

Peugeot Independence

Ford Transit

Access for All

As the UK's leading vehicle adaptation specialists, Allied Mobility supplies more than 3,000 wheelchair accessible vehicles annually and is the leading supplier to the Motability Scheme. From minibuses and MPVs to small mobility cars, our products are tailored to fit the needs of a wide range of user groups including local authorities, community transport groups, healthcare providers and care homes, schools and colleges, hospitals and private families.

Accessible features include:

- ◆ lightweight wheelchair ramps
- ◆ hydraulic passenger-lifts
- ◆ lowering air suspension
- ◆ high-quality wheelchair restraint systems
- ◆ partially or fully tracked flooring
- ◆ specialised wheelchair passenger seatbelts
- ◆ non-slip flooring and safety hand-rails

More for your Budget

Best Value

Volume buying, combined with high-output production facilities, enables us to minimise costs – guaranteeing you the best possible purchase price on your chosen minibus or MPV. Best value is also assured through our unique combination of quality, warranty and aftersales service.

Early Delivery

Unlike most converters we carry a stock of selected popular models, available for immediate delivery. For factory orders we'll contact you regularly to keep you up to date with progress from the moment your specification has been agreed through to delivery of your vehicle.

Peace of mind

Ask about our unique service and warranty packages for added peace of mind.

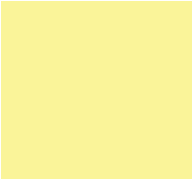

◆ Three Year Free Servicing

◆ Five Year Unlimited Mileage Warranty

Renault Traffic

Nationwide Service

As well as regional account managers and free nationwide delivery, you'll have the reassurance and support of hundreds of locally based, manufacturer-approved service centres throughout Britain to maintain your vehicle and address any repair work which may arise. We'll even deliver your new vehicle direct to your doorstep, anywhere in the UK.

What our Customers Say

We work with a wide customer base, from building companies to care homes and local authorities to charities. Here's what some of our clients have to say.

"Allied Mobility was the only company that really understood what we wanted and were more than happy to help with all our queries"

Joan Williams, Matron,
Halgarth Care Home

"We use our 17 seat minibus to take the kids on school trips to the wildlife zoo, camping expeditions and to away football matches. It's really spacious and the kids love it!"

John Halliday, Maintenance Engineer,
Moor House School
