INTRODUCING INDEPENDENCE™

All-new Ford Independence™, available exclusively from Allied Mobility, offers unique flexibility as a fully wheelchair accessible vehicle (WAV).

Based on the newly launched Ford Tourneo Custom, **Independence™** combines excellent accessibility features, ample space for either a manual wheelchair or powerchair, exceptional driver safety features and a top of the range infotainment system.

Practical, stylish and brimming with incredible standard features, **Independence™** truly is a stand-out WAV.

INDEPENDENCE™

1. All-new 2024 model
2. Stylish front grille
3. 13" colour touchscreen with ApplePlay/ Android Auto
4. Lightweight **EasyFold™** ramp
5. One-piece tailgate
6. Parking sensors to help you manoeuvre

ACCESS, SAFETY & SEATING

All-new Independence™ comes with improved wheelchair and powerchair access plus travelling dimensions.

The low gradient EasyFold™ ramp is both lightweight and easy to use.

Easy-clean Safestep R12 flooring, complete with LED channel lighting, is fitted throughout to ensure wheelchair user safety and durability over time.

If you need a helping hand, there's also the option of an electric winch, included as standard. Safety is of utmost importance, so every **Independence™** is fitted with high-quality wheelchair restraints and full lap and diagonal seatbelts for all passengers.

To meet different needs and preferences, **Independence™** is available with a variety of ISOFIX seating layouts. The wheelchair user travels alongside rear passengers in the second row on a completely flat floor, allowing for a more inclusive and comfortable experience.

ACCESS & SAFETY

1. Numerous seating layouts available
2. Specially lowered floor for optimum accessibility
3. Lightweight, easy-to-use & slip-resistant ramp
4. Electric assist winch available as standard

WHEELCHAIR ACCESSIBLE FEATURES

1. **EasyFold™** lightweight ramp
2. LED channel floor lighting
3. Full lap & diagonal seat belt for wheelchair passenger
4. High quality wheelchair restraint system
5. Fully compatible with UK wheelchair accessible vehicle standard – PAS 2012
6. Safety tested to Whole Vehicle Type Approval

VEHICLE FEATURES

Coming in Titanium specification, Independence™ has an abundance of features that will impress both drivers and passengers alike.

Exterior features like the brand-new stylish front grille and 17" Carbonised Grey alloy wheels gives **Independence™** a high-class and modern look.

However, it's the interior features that truly sets it apart from other WAVs. Whether you're finding your way with the factory fitted Sat Nav or using the reverse colour camera to park up, the high quality 13" touch screen is a highlight.

Other stand-out features includes front and rear air conditioning, with rear seat climate control to ensure a comfortable journey for the wheelchair user and all rear passengers in any weather.

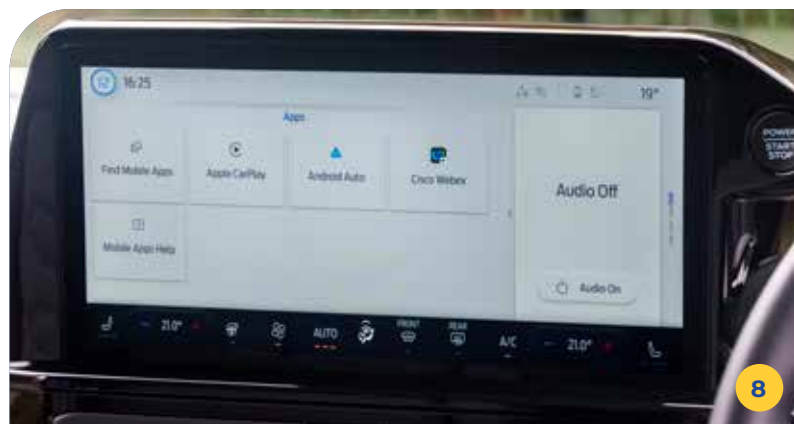

You can find the full list of **Independence™** features on page 19.

VEHICLE FEATURES

1. Cruise control
2. 13" factory fitted Sat Nav
3. Front & rear air conditioning
4. Heated driver & front passenger seat
5. Keyless entry & start
6. USB & USB-C connection
7. ISOFIX seating options
8. Android Auto/ Apple Car Play

HELP & ADVICE

Allied Mobility is the UK's leading wheelchair accessible vehicle manufacturer. With over 20 years' experience and thousands of satisfied customers, our goal is finding the best solution to meet your particular needs.

Based locally throughout the UK, our dedicated mobility consultants are there to help you and can provide a free home demonstration on the vehicle(s) of your choice, wherever you live.

Should you have any queries before or after ordering your wheelchair accessible vehicle, contact our mobility advisors at any time for expert advice and information.

Our unique **Allied Aftercare™** support also includes a four-week follow-up check and annual safety inspection. You'll also have access to our helpline and a nationwide network of Ford dealers.

YOUR HOME DEMONSTRATION

Finding the right wheelchair accessible vehicle to suit your needs is very important. To ensure you're able to choose the best option for you and your family we always provide a free home demonstration.

Your local mobility consultant will bring the model that interests you the most to your home, at a time that suits you. It's important that you and anyone you regularly travel with are there on the day.

Your mobility consultant will thoroughly demonstrate how to use the accessibility features of the vehicle and answer any questions you may have. Hopefully you'll find you've made the right choice, first time. If not, don't worry - we're happy to come back with a different model for you to try, to be sure you end up with the vehicle which best suits you.

YOUR ALLIED MOBILITY JOURNEY

You'll have a dedicated mobility

Step 1

Our vehicle specialists will discuss your requirements with you, over the phone.

Step 2

We'll bring a vehicle to your home for a free demonstration and test drive, at a time that suits you.

Step 5

We'll arrange delivery on a date that suits you.

Step 6

Your dedicated mobility consultant will give you a refresher on the accessibility and safety features of your new car.

consultant to guide you through your journey.

Step 3

We can discuss personalised driving adaptations if you need them.

Step 4

Once you're completely happy with your choice, we can help with your Motability paperwork or suggest alternative finance options.

Step 7

Now it's time to hand over the keys!

Step 8

Our **Allied Autocare™** team will provide a safety check every 12 months. They can even offer to fully service your car, at your home address.
