INTRODUCING FREEDOM™

Ford Freedom™, available exclusively from **Allied Mobility**, combines a fresh, sleek exterior design with a spacious interior.

If you like Ford, you'll love **Freedom™**. This stylish car combines ultra-modern comfort with the latest in fuel efficient, environmentally friendly performance. Most importantly, **Freedom™** brings superb usability for wheelchair users with the unique **SpaceLite™** ramp.

Freedom™ owners also benefit from the option of manual or automatic transmission and a range of seating layouts, allowing you to create the ideal vehicle to meet your needs.

Additional features such as front and rear parking sensors, heated windscreen and keyless start ensure a smooth, safe and comfortable journey every time.

FREEDOM™

1. Sleek design
2. Eye-catching front grille
3. Front & rear parking sensors
4. Unique **SpaceLite™** lightweight ramp
5. 10" media centre with Apple CarPlay & Android Auto
6. One-piece tailgate

ACCESS, SAFETY & SEATING

Accessibility is Freedom's™ priority. The specially lowered floor ensures the SpaceLite™ ramp has a low, easy gradient. It's also covered with slip resistant material and is a breeze to clean.

Built with convenience in mind, **Freedom™** is available in two models, RSX and RE. The rear passenger seats in RSX can remain in place while the wheelchair passenger travels in the third row. Alternatively they can be folded forward to create additional space for the wheelchair user.

The **Freedom™** RE is ideal if the wheelchair user requires additional space and prefers to travel further forward in the vehicle. The original seating is removed and replaced with one or two comfortable single fixed seat(s) for a fellow passenger to travel alongside the wheelchair user. These seats remain in position at all times.

In addition to the model options, **Freedom™** is also available in two wheel bases, short and long. Your mobility advisor can advise which is best depending on the wheelchair/ powerchair size and the number of passenger seats required.

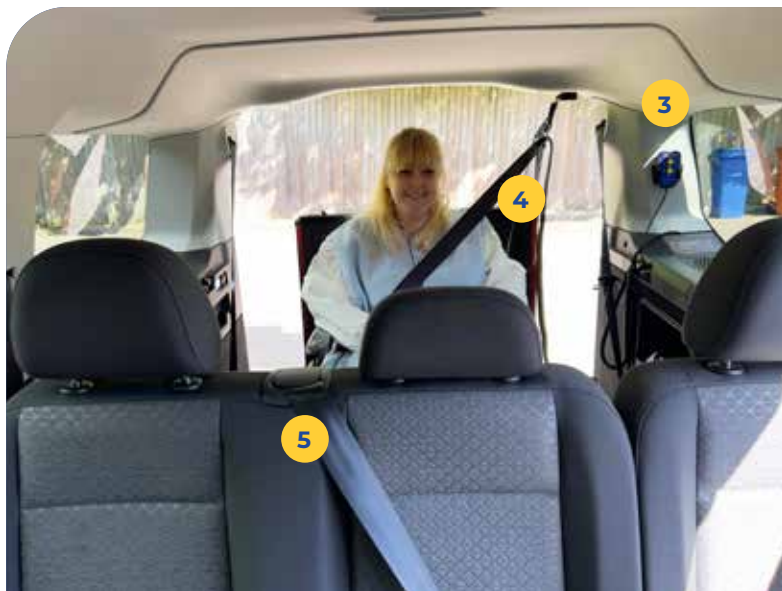

Wheelchair users benefit from the security of class-leading front and rear wheelchair restraints, suitable for wheelchairs up to 200kg. There's also a dedicated wheelchair passenger seat belt and the option of an electric assist winch if you need a helping hand.

ACCESS, SAFETY & SEATING

1. Wheelchair user travelling position option in RSX model
2. Specially lowered floor for optimum accessibility
3. Electric assist winch
4. Lap & diagonal seat belt
5. Additional passenger seating in RSX

WHEELCHAIR ACCESSIBLE FEATURES

HELP & ADVICE

Allied Mobility is the UK's leading wheelchair accessible vehicle manufacturer. With over 25 years' experience and thousands of satisfied customers, our goal is finding the best solution to meet your particular needs.

Based locally throughout the UK, our dedicated mobility consultants are there to help you and can provide a free home demonstration on the vehicle of your choice, wherever you live.

Should you have any queries before or after ordering your wheelchair accessible vehicle, you can contact our mobility advisors at any time for expert advice and information.

Our unique **Allied Aftercare™** support also includes a four-week follow-up check, annual safety inspection and a vehicle service, all carried out at your residence via our fleet of mobile service vans. You'll also have access to our helpline and a nationwide network of over 300 Ford dealers.

YOUR HOME DEMONSTRATION

Finding the right wheelchair accessible vehicle to suit your needs is very important. To ensure you're able to choose the best option for you and your family we always provide a free home demonstration.

Your local mobility consultant will bring the model that interests you most to your home, at a time that suits you. It's important that you and anyone you regularly travel with are there on the day.

Your mobility consultant will thoroughly demonstrate how to use the accessibility features of the vehicle and answer any questions you may have. Hopefully you'll find you've made the right choice, first time. If not, don't worry - we're happy to come back with a different model for you to try to be sure you end up with the vehicle which best suits you.

YOUR ALLIED MOBILITY JOURNEY

You'll have a dedicated mobility

Step 1

Our vehicle specialists will discuss your requirements with you, over the phone.

Step 2

We'll bring a vehicle to your home for a free demonstration and test drive, at a time that suits you.

Step 5

We'll arrange delivery on a date that suits you.

Step 6

Your dedicated mobility consultant will give you a refresher on the accessibility and safety features of your new car.

consultant to guide you through your journey.

Step 3

We can discuss personalised driving adaptations if you need them.

Step 4

Once you're completely happy with your choice, we can help with your Motability paperwork or suggest alternative finance options.

Step 7

Now it's time to hand over the keys! We'll pop back round for your familiarisation check.

Step 8

Our Allied Autocare team will provide a safety check every 12 months. They can even fully service your car at your home address.
