DISCOVER eHORIZON™

It's time to go green with the UK's leading wheelchair accessible vehicle supplier!

Based on the Peugeot e-Rifter, **eHorizon™** is Allied Mobility's first fully-electric WAV, bringing you optimum accessibility and driveability.

Offering ample interior space to travel in a wheelchair in comfort, **eHorizon™** comes with Peugeot's impressive Allure specification as standard, including rear parking sensors and a 180° colour reversing camera. It's the perfect combination of safety, style and comfort.

1. Reliable, powerful & sleek design
2. On-board charger
3. Peugeot i-Cockpit® 10" colour touch screen
4. Unique **EasyGlide™** pull-out ramp
5. Parking sensors to help you manoeuvre

ACCESS, SAFETY & SEATING

eHorizon™ offers optimum accessibility and safety.

The unique **EasyGlide™** ramp simply pulls out from the rear floor of the vehicle, meaning you can have a standard car one minute and a fully wheelchair accessible vehicle the next.

Horizon™ offers a low ramp angle for ease of access whilst still being ultra-strong and simple to use. Once inside, the wheelchair user is secured by high-quality front and rear wheelchair restraints, while lap and diagonal seat belts ensure optimum safety.

eHorizon™ comes with five seats as standard including two i-Size positions in the rear. This means the eWAV can carry driver, wheelchair passenger and up to four seated passengers.

ACCESS, SAFETY & SEATING

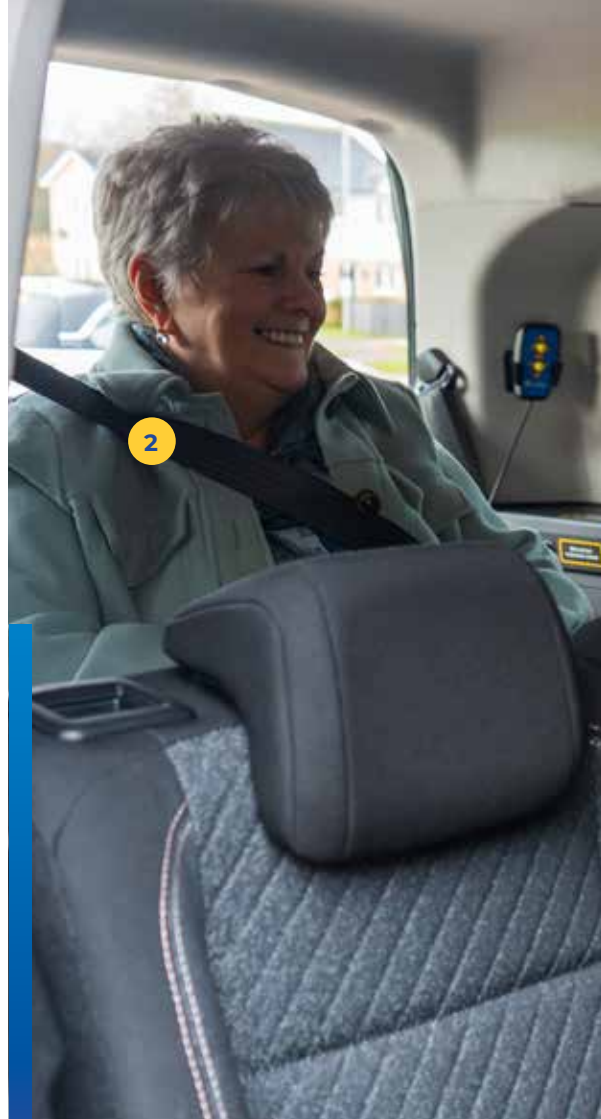

1. Space for driver, up to four seated passengers and wheelchair user
2. Specially lowered floor for optimum accessibility
3. Lightweight, easy-to-use, pull-out ramp
4. Electric-assist winch available

WHEELCHAIR ACCESSIBLE FEATURES

1. Low-gradient **EasyGlide™** ramp
2. Full lap & diagonal seat belt for wheelchair passenger
3. High quality wheelchair restraint system
4. Safety tested to Whole Vehicle Type Approval
5. Fully compatible with UK wheelchair accessible vehicle standard – PAS 2012

ELECTRIC CHARGING

With an impressive 199-mile Peugeot WLTP range* and over 73,000 public charge points throughout the UK, travelling longer distances in eHorizon™ is made possible.

eHorizon™ comes with an on-board charger to help power up your vehicle as quickly as possible. If you have off-street parking next to your home, you might want to consider installing a home chargepoint. Most well-known petrol stations offer public charging points too.

Are You a Motability Scheme Customer?

If you're leasing your first electric WAV on the Motability Scheme, your home chargepoint and standard installation costs will be free of charge.

If you can't get a home chargepoint, you will gain access to over 9,000 public charge points with a subscription to the BP pulse network and access to over 58,000 chargepoints with a Motability Go Charge.

*Range will depend on multiple factors including wheelchair weight, number of passengers, driving style etc. Please speak to your mobility advisor for more details.

HELP & ADVICE

Allied Mobility is the UK's leading wheelchair accessible vehicle manufacturer. With over 20 years' experience and thousands of satisfied customers, our goal is finding the best solution to meet your particular needs.

Based locally throughout the UK, our dedicated mobility consultants are here to help you and can provide a free home demonstration on the vehicle(s) of your choice, wherever you live.

As an Allied Mobility customer, you will benefit from our unique **Allied Aftercare™** programme which includes help and support from our expert mobility advisors throughout your WAVs lifetime, plus access to a nationwide network of Peugeot dealers.

If you're a Motability Scheme customer, you will also benefit from an annual safety inspection of the wheelchair accessible vehicle components of your vehicle. For your convenience, this is carried out at your residence at a time that suits you.

Should you have any queries before or after ordering your wheelchair accessible vehicle, contact our mobility advisors at any time for expert advice and information.

YOUR HOME DEMONSTRATION

Finding the right wheelchair accessible vehicle to suit your needs is very important.

To ensure you're able to choose the best option for you and your family we always provide a free home demonstration.

Your local mobility consultant will bring the model that interests you most to your home, at a time that suits you. It's important that you and anyone you regularly travel with are there on the day.

Your mobility consultant will thoroughly demonstrate how to use the accessibility features of the vehicle and answer any questions you may have. Hopefully you'll find you've made the right choice, first time. If not, don't worry - we're happy to come back with a different model for you to try, to be sure you end up with the vehicle which best suits you.
