P.26 Your Allied Mobility Journey

We're excited to introduce Lunar™, the latest addition to our family of wheelchair accessible vehicles (WAVs).

Based on the Citroën Berlingo Plus, **Lunar™** is available as either a small or medium-small WAV so comes in two different sizes depending on your needs.

Inside, **Lunar™** offers excellent wheelchair accessible features, top-of-the-line safety features and intuitive technology, making every journey enjoyable.

LUNAR™

1. Stylish & sleek design
2. 10" HD touch screen
3. Unique **EasyGlide™** lightweight ramp
4. Parking sensors to help you manoeuvre

ACCESS, SAFETY & SEATING

Lunar™ comes with excellent wheelchair or powerchair access and travelling dimensions.

The **EasyGlide™** ramp fitted to **Lunar™** has internal gas struts making it both lightweight and easy to use. It simply pulls out from the rear floor of the vehicle, meaning you can have a standard car one minute and a fully wheelchair accessible vehicle the next.

Easy-clean, Safestep flooring is fitted throughout to ensure wheelchair user safety and durability over time.

Once inside, the wheelchair user is secured by high-quality front and rear wheelchair restraints, while lap and diagonal seat belts ensure optimum safety. If you need a helping hand, there's also the option of an electric winch, included as standard.

ACCESS, SAFETY & SEATING

1. Space for driver, three to five* seated passengers & a wheelchair user
2. Specially lowered floor for optimum accessibility
3. Lightweight, easy-to-use, pull-out ramp
4. Electric assist winch available

WHEELCHAIR ACCESSIBLE FEATURES

1. Low-gradient **EasyGlide™** ramp
2. Full lap & diagonal seat belt for wheelchair passenger
3. High quality wheelchair restraint system
4. Safety tested to Whole Vehicle Type Approval
5. Fully compatible with UK wheelchair accessible vehicle standard – PAS 2012

Type Approval

VEHICLE FEATURES

Lunar™ is brimming with modern features. For the driver, safety comes with rear parking sensors, lane keeping and emergency braking assistance. Convenience is also covered with a 180° colour reversing camera helping to guide the driver to the perfect parking space.

Entertainment is taken care of with the 10" HD touch screen with Apple CarPlay™ and Android Auto.

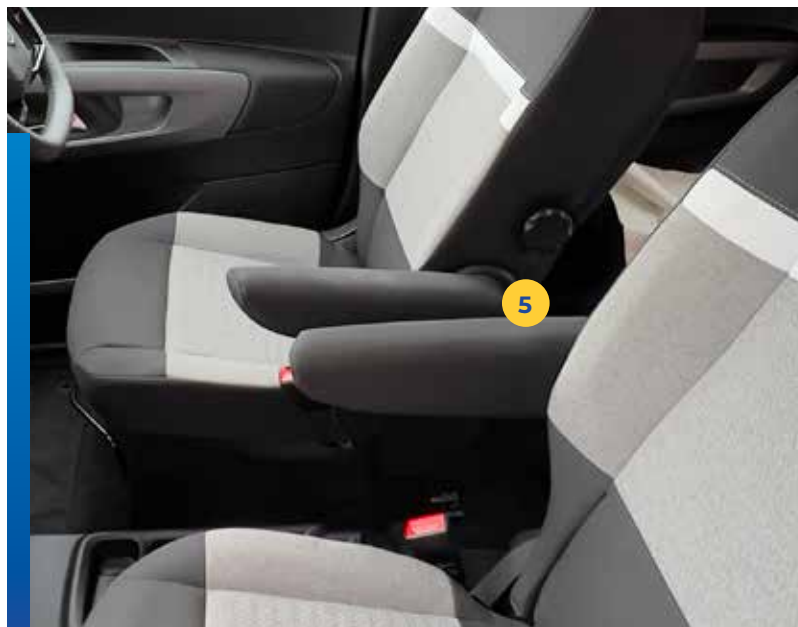

While everyone can travel in style with 16" black 'Starlit' alloy wheels, a futuristic front grille and glossy-looking roof bars.

VEHICLE FEATURES

1. Steering-wheel mounted audio controls
2. Cruise control & speed limiter
3. 10" touchscreen with in-car entertainment
4. Air conditioning
5. Driver & front passenger arm rests
6. Foldable tables in rear

MODEL CHOICE

Citroën Lunar™ is available in two wheelbase lengths, short (Standard) and long (Excel). In both models, the wheelchair user will travel alongside rear passengers in the second row meaning a more inclusive, comfortable experience.

Standard

You have the option to have one rear single seat, or two if preferred, depending on the size of the wheelchair or powerchair. The rear seats remain in position at all times and come with ISOFIX.

Excel

Additional tip and turn seats are available in the third row giving added flexibility if you need seating to fit more occupants. These seats can also be easily folded to create more space for the wheelchair user if required.

HELP & ADVICE

Allied Mobility is the UK's leading wheelchair accessible vehicle manufacturer. With over 30 years' experience and thousands of satisfied customers, our goal is finding the best solution to meet your particular needs.

Based locally throughout the UK, our dedicated mobility consultants are there to help you and can provide a free home demonstration on the vehicle(s) of your choice, wherever you live.

Should you have any queries before or after ordering your wheelchair accessible vehicle, you can contact our mobility advisors at any time for expert advice and information.

Our unique **Allied Aftercare™** support also includes a four-week follow-up check and annual safety inspection. You'll also have access to our helpline and a nationwide network of Citroën dealers.

YOUR HOME DEMONSTRATION

Finding the right wheelchair accessible vehicle to suit your needs is very important.

To ensure you're able to choose the best option for you and your family we always provide a free home demonstration.

Your local mobility consultant will bring the model that interests you most to your home, at a time that suits you. It's important that you and anyone you regularly travel with are there on the day.

Your mobility consultant will thoroughly demonstrate how to use the accessibility features of the vehicle and answer any questions you may have. Hopefully you'll find you've made the right choice, first time. If not, don't worry - we're happy to come back with a different model for you to try, to be sure you end up with the vehicle which best suits you.

YOUR ALLIED MOBILITY JOURNEY

You'll have a dedicated mobility

Step 1

Our vehicle specialists will discuss your requirements with you, over the phone.

Step 2

We bring a vehicle to your home for a free demonstration and test drive, at a time that suits you.

Step 5

We'll arrange delivery on a date that suits you.

Step 6

Your dedicated mobility consultant will give you a refresher on the accessibility and safety features of your new car.

consultant to guide you through your journey.

Step 3

We can discuss personalised driving adaptations if you need them.

Step 4

Once you're completely happy with your choice, we can help with your Motability paperwork or suggest alternative finance options.

Step 7

Now it's time to hand over your keys!

Step 8

Our Allied Autocare team will provide a safety check every 12 months. They can even fully service your car at your home address.
