INTRODUCING VALESO™

Experience accessibility in every mile with the all-new Ford Courier Valeso™, and the fully-electric eValeso™, exclusively available from Allied Mobility.

Blending Ford Titanium spec and style with industry leading accessibility features, including a lightweight wheelchair ramp and electric-assist winch, Valeso™ is a compact wheelchair accessible vehicle (WAV) with huge potential.

From everyday outings to spontaneous escapes, Valeso™ adapts to your lifestyle with a choice of seating layouts and the option of a petrol or electric powertrain.

Even better, Valeso™ comes with features such as a reversing camera, front sensors and Apple CarPlay/ Android Auto, so wherever you're headed, you can travel in comfort and style with accessibility made effortless.

ACCESS, SAFETY & SEATING

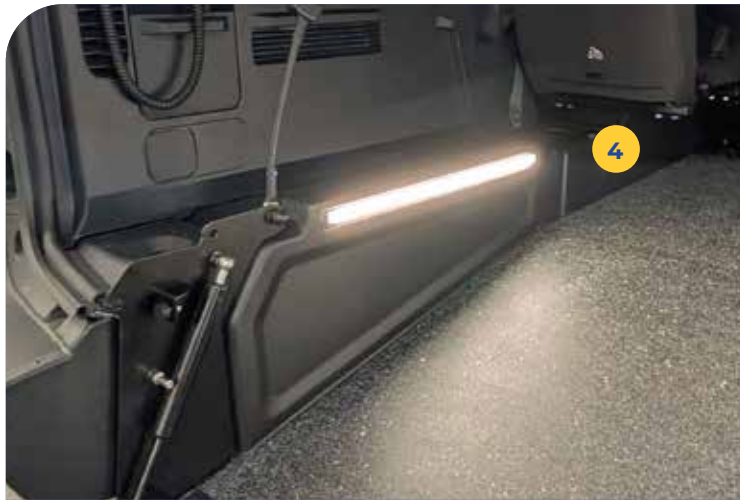

Made to meet the needs of wheelchair users, Valeso™ comes equipped with a lightweight ramp, electric-assist winch and LED channel lighting to help guide the wheelchair user in and out of the vehicle with ease.

Once inside, the wheelchair user travels alongside one or two fellow passengers. Wheelchairs or powerchairs are secured with high-quality Q'Straint wheelchair restraints, along with a lap and diagonal seat belt, ensuring a safe and comfortable journey.

ACCESS, SAFETY & SEATING

1. Space for driver, up to three seated passengers and wheelchair user
2. Wheelchair user travelling position
3. Specially lowered floor
4. LED channel lighting

WHEELCHAIR ACCESSIBLE FEATURES

1. Lightweight, easy-use ramp
2. Full lap and diagonal seat belt for wheelchair passenger
3. High quality Q'Straint wheelchair restraints
4. Safety tested to Whole Vehicle Type Approval
5. Fully compliant with UK wheelchair accessible vehicle standard – PAS 2012

VEHICLE FEATURES

Based on the Ford Courier, Valeso™ is packed full of modern features that make every journey safe and enjoyable.

Access your favourite music, podcasts and audiobooks, or find your way with Apple CarPlay/Android Auto on **Valeso's™** colour touchscreen.

Parking and manoeuvring are also made simple and safe with front parking sensors and a reversing camera.

Going Electric?

eValeso™ offers all the same great Ford features with the added benefit of zero-emission driving. It also includes an on-board charger for home or public charging options.

VEHICLE FEATURES

1. Steering wheel mounted audio controls
2. Colour touchscreen with Android Auto/ Apple CarPlay
3. Air conditioning
4. Choice of manual or automatic transmission
5. Reversing camera
6. USB and USB-C ports

YOUR HOME DEMONSTRATION

Finding the right wheelchair accessible vehicle to suit your needs is very important. To ensure you're able to choose the best option for you and your family we always provide a free home demonstration.

Your local mobility consultant will bring the model that interests you the most to your home, at a time that suits you. It's important that you and anyone you regularly travel with are there on the day.

Your mobility consultant will thoroughly demonstrate how to use the accessibility features of the vehicle and answer any questions you may have. Hopefully you'll find you've made the right choice, first time. If not, don't worry - we're happy to come back with a different model for you to try, to be sure you end up with the vehicle which best suits you.

HOMESTAY™ SERVICE

HomeStay™ Mobile Servicing is the hassle-free way to have your vehicle serviced right outside your front door and is exclusively available to Allied Mobility customers.

Our mobile service vans are fully equipped with specialist tools to inspect all of the mechanical and electrical components of your WAV, just as you would have them checked at a service centre.

If you're a Motability Scheme customer, your vehicle service is included as part of your all-inclusive package. We'll also visit you to complete your annual safety check on all of the adapted features of your car.

If you've bought your car outright, you can also enjoy home servicing, simply speak to your mobility advisor for more information.

So, whether at your residence, work or a different location entirely, our qualified automotive mechanics will meet you there.

YOUR ALLIED MOBILITY JOURNEY

You'll have a dedicated mobility

Step 1

Our vehicle specialists will discuss your requirements with you, over the phone.

Step 2

We bring a vehicle to your home for a free demonstration and test drive, at a time that suits you.

Step 5

We'll arrange delivery on a date that suits you.

Step 6

Your dedicated delivery specialist will give you a refresher on the accessibility and safety features of your new car.

consultant to guide you through your journey.

Step 3

We can discuss personalised driving adaptations if you need them.

Step 4

Once you're completely happy with your choice, we can help with your Motability paperwork or suggest alternative finance options.

Step 7

Now it's time to hand over your keys!

Step 8

Our Allied Autocare team will provide a safety check every 12 months*. They can even fully service your car at your home address.

*Available for Motability Scheme customers.
